Join us for a week in the historic western town of Cody, Wyoming, the “Rodeo Capital of the World” and eastern gateway to Yellowstone National Park. Opportunities for outdoor adventure and entertainment abound with planned visits to the 5 museum complex of the Buffalo Bill Historical Center, the Dan Miller Cowboy Music Revue [a Branson style music variety show], a scenic river rafting float trip, and of course, the Cody Night Rodeo. We can decide during the week which night would work for those who are interested in the Cody Night Rodeo. The campground will coordinate tickets and transportation for us. <http://www.codynightrodeo.com>.
