

Happy Spring time to you all !!

It has been an uneventful winter for the Foretravel Northwest Chapter in general, but I know that our president, Kris and his wife, Shannon, have been very busy getting ready for the spring rally in East Wenatchee.

It looks very exciting and there are so many tremendous activities to get in on...hope to see many of you there.

Our fall rally is also well under way. Diane and Dave Crawford have done an outstanding job of planning it also as you will see from the enclosed rally info.

As Pioneer Trails Campground requires payment three months before our rally activity we would ask that you get your fall registration and checks in to Diane by **May 15, 2008.**

Looking forward to seeing you all at Anacortes, too!!!

Eydie Smith Secretary
