

**FORETRAVEL Motorcade Club NW Chapter
2009 SPRING BUDDY RALLY
WASHINGTON'S OLYMPIC PENINSULA
May 12 - 18, 2009**

Hosted by Ron & Florence Hecker & Keith & Shannon Miller

You are invited to attend the 2009 NW Chapter spring rally. Ours will be a rolling rally as well as a buddy rally, so *please* invite your RV friends to join us! We have an exciting and unusual rally planned for you and your guests.

Our six day rally will commence on Tuesday, May 12 at Lake Quinault where we will meet our guests, get acquainted, and take a walk in the Quinault Rain Forest. Bring your clubs and enjoy the local golf course or a scenic drive around the lake, maybe even go trout fishing. Before leaving Lake Quinault we will tour a fish hatchery.

The drive up the Washington Coast is beautiful and rugged in some areas. Our next stop will be Forks. Forks is known for its rainfall where they measure their annual rainfall in feet instead of inches. Forks is also the home of recent bestselling book and movie "Twilight." Don't worry, we will have vampire patrols out after dark. From Forks, we have planned day trips to the Hoh Rain Forest and Neah Bay where we will tour the Makah Historic Museum and Cultural Center. We'll hike out to Cape Flattery, where we'll have a view of Tatoosh Island and we'll also stand on the most northwesterly point in the lower 48 states. We will then travel to the Port Angeles / Sequim area where there are more attractions and points of interest than could be seen in several weeks.

We would welcome the opportunity to show you some of the Olympic Peninsula. In scouting our rally we discovered an area that we have ignored for years and never really appreciated. We think you will be pleasantly surprised at what the Olympic peninsula has to offer.

We would encourage you to invite that special friend or relative to load up their motor home and spend six days with our Foretravel family. We promise to show them a great time.

For those of you who are new Foretravel Motorcade members, we encourage you to take the plunge and come out to a chapter rally. Bring a friend and test the water, we're sure you will have a memorable time.

We're looking forward to seeing you at the spring rally!
